This payment schedule is necessary, as MCI has to pay deposits to concert venues, hotels, coach company and/or airline, tour guides, restaurants, etc. to secure and reserve their services for the tour. MCI cannot make deposits to secure these critical services if MCI does not have money collected for the tour. A delay in payment may compromise services provided, including (but not limited to) transportation costs, venue availability, and hotel location. Punctual payments will contribute to the overall success of the tour.
