

Baltics Tour Testimonials

*"What a wonderful trip in so many ways! The folks who have traveled on all three trips with me agreed (without any prompting from me) that this was the best trip yet. **In all my years as a choral conductor I have NEVER performed in front of such appreciative, engaged and enthusiastic audiences as I did on this trip.**"*

*"Thanks to MCI's Herculean efforts, the Sacramento Choral Society's performances enjoyed **large and appreciative audiences**. The orchestras and soloists provided by MCI via the Latvian and Estonian Academies were world-class in their performance and professional attitude."*

*"I am constantly impressed with the organizational aspects of MCI. I am also pleasantly surprised at how fine the accommodations and food were while keeping within our budget. The concert venues are first rate and well attended. **We had approximately 120 at the first concert, 180 at the second, over 200 at the third, and close to 300 at our final concert.**"*

*"THANK YOU for the wonderful tour experienced via MCI in the Baltics. It surpassed my expectations in every way! **The size of the audiences blew me away - every concert was full, and the last 2 were standing room only (I estimate 800 in Kaunas and 1,000 in Vilnius)**. Each tour I've experienced with MCI has changed our lives for the better. We are all grateful for your work on our behalf. Thank you for a remarkably wonderful tour to the Baltics!"*

*"**The audiences in the Baltics were the best I have experienced anywhere in Europe!** The venues were **PACKED** with standing room only, and the audience members were extremely engaged in our performances, often closing their eyes and crying during our pieces. We were welcomed to each venue by such warm, wonderful audiences. I cannot speak highly enough of this trip! I have loved all my tours with MCI, but this one will hold a particular place in my heart. Thank you for offering this to us!"*

*"**This trip exceeded every single one of my expectations!** I have nothing but wonderful things to say about my "MCI Team" in the states and our amazing Tour Escort in the Baltics. Each performance venue and concert provided several 'wow' moments that we will never forget, and our last three concerts were completely full. The singers left feeling like they were on top of the world, truly accomplishing something meaningful. Very much looking forward to working with you all again!"*
